

FREE Coding Workshop

for elementary and middle school aged students

SCRATCH DAY

Scratch Day is a global network of events that celebrates **Scratch's** 10th Anniversary!

With **Scratch**, you can program your own interactive stories, games, and animations — and share your creations with others. **Scratch** helps young people learn to think creatively, reason logically, and work collaboratively — essential skills for life in the 21st century.

Saturday, May 13, 2017
